

Sunday, 9 July									
15:30 - 17:40	Opening Ceremony Plenary Lecture: Rita Colwell Plenary Lecture: Kenneth Timmis (Hall 1)								
18:00 - 20:00	Welcome Reception (Foyers L2)								
Monday, 10 July									
09:00 - 09:45	Plenary Lecture: Jorge Galan (Hall 1)								
10:00 - 12:30	SY1 - Bacterial Secretion Systems In Contact With Host Cells (Hall 1)	SY2 - VAAM Symposium: Symbiotic Interactions (Hall G1)	SY3 - Parasitology: Host Contribution To Disease (Hall G2)	SY4 - From Precolonial Microbiology To LUCA (Hall D)	SY5 - Persisters & The Spread Of Antibiotic Resistance (Hall E)	SY6 - BPS Symposium: Diversity & Ecology Of Aquatic Phototrophic Biofilms (Hall F)	SY7 - Food Microbiology: Challenges & Opportunities For Safe & Healthy Foods (Hall Y1)	SY8 - Microbial Diversity For Creating Novel Value Chains In Industrial Biotechnology (Hall Y2)	
13:00 - 13:30			NE1 - Early Career Scientist Networking Session (Hall G2)	PP1 - Altona Product Presentation (Hall D) PP2 - Promega Product Presentation (Hall D)	SE1 - Society Journals: The Benefits For Researchers (Hall E)		IS1 - Qiagen Industry Symposium Wastewater Monitoring For The Identification Of Viral Pathogens (Hall Y1)		CCCI - International Microorganism Day (Community Corner)
13:30 - 14:00									
14:00 - 16:00	OT51 - Extreme Environments (Hall 1)	OT52 - Microbial Pathogens & The Gut Microbiome (Hall G1)		OT53 - Metabolic Networks (Hall D)	OT54 - Yeast Strategies To Resist Relevant Stresses In Bioreactors & Fungal Biology & Chemistry (Hall E)		OT55 - Protein Turnover & Secretion (Hall Y1)	OT56 - Industrial Microbiology & Bioeconomy (Hall Y2)	CCCI - Meet The Editors-In-Chief Of FEMS Journals (Community Corner)
16:00 - 16:30									
16:30 - 18:00	FP1 - Virology (Hall G1)	FP2 - Infection Biology & Pathogens (Hall G2)	FP3 - Genetics & Genomics (Hall D)	FP4 - Molecular Microbiology & Biochemistry (Hall E)	FP5 - Environmental Microbiology & Ecology (Hall F)	FP6 - Food Microbiology (Hall Y1)			
18:00 - 19:30									Poster Networking (Foyers)
19:00 - 20:00			SE2 - Engaging Communities In The Science Of Microbiology (Hall D)						
Tuesday, 11 July									
09:00 - 09:45	Plenary Lecture: Julia Vorholt (Hall 1)								
10:00 - 12:30	SY9 - Archaea: Metabolism & Evolution (Hall 1)	SY10 - DGHM-VAAM Symposium: Food Safety (Hall G1)	SY11 - Education Group Symposium (Hall G1)	SY12 - Epigenetics Of Host-Pathogen Interactions (Hall D)	SY13 - ESCMID Symposium: News From The Fungal World: Anything New About Diagnosis? (Hall E)	SY14 - Marine Microbiology (Hall F)	SY15 - Cell Membrane Transport (Hall Y1)	SY16 - Plant Microbiomes (Hall Y2)	
13:00 - 13:30			NE2 - Grassroots Session (Hall G2)	PP3 - Altona Product Presentation (Hall D) PP4 - MP Biomedicals Product Presentation (Hall D) PP5 - Himedia Labs Product Presentation (Hall D)			IS2 - Microba Industry Symposium High Resolution Bioinformatics In Product Development & Clinical Trials (Hall Y1)		CCCI - Inclusion & Diversity (Community Corner)
13:30 - 14:00									
14:00 - 16:00	OT57 - Antimicrobial Resistance, Environmental & Medical Aspects (Hall 1)	OT58 - Microbiome, Recent Developments & Model Systems (Hall G1)		OT59 - DGHM Offered Talks Session: Diagnosis & Clinical Microbiology (Hall D)			OT510 - Microbial Ecology Offered Talks Session: Microorganisms In Sustainable Agriculture (Hall Y1)	OT511 - CSM Offered Talks Session: Alternative Approaches In Antimicrobial Control (Hall Y2)	CCCI - Meet The Editors: Engaging The Next Generation Of Researchers (Community Corner)
16:00 - 16:30									
16:30 - 18:00	FP7 - Taxonomy & Systematics (Hall 1)		FP8 - Infectious Diseases (Hall D)	FP9 - Biotechnology & Synthetic Microbiology (Hall E)					
18:00 - 19:30									Poster Networking (Foyers L2)
19:00 - 20:00			SE3 - Science Communication (Hall G2)						
Wednesday, 12 July									
09:00 - 09:45	Plenary Lecture: Carmen Sanchez (Hall 1)								
10:00 - 11:00	SY17 - VAAM DGHM Symposium: Biofilms (Hall 1)	SY18 - DGHM Symposium: Infection Immunology (Hall G1)	SY19 - VAAM Symposium: Environmental Microbiology (Hall G2)	SY20 - SFM-FEMS Symposium: Antimicrobial Peptides: Diversity, Engineering & Applications In The Context Of AMR Crisis (Hall D)	SY21 - Non-Conventional Yeasts: Cell Biology & Biotechnology (Hall E)	SY22 - DMS-FEMS Symposium: Microbial Interactions In The Rhizosphere Of Agricultural Crops (Hall F)	SY23 - FEMS Microbiology Letters Symposium: Microbial Valorisation Of Wastes & Secondary Materials (Hall Y1)	SY24 - FEMS Microbiology Ecology Symposium: Microbiomes Are Everywhere, But The Environment Selects (Hall Y2)	
13:00 - 13:30				PP6 - Cellulose Product Presentation (Hall D) PP7 - Barkman Coulter Product Presentation (Hall D) PP8 - SeqCenter Product Presentation (Hall D)			SE4 - Policy: What Do Scientists Need To Get Involved With Policy? (Hall Y1)		CCCS - The Benefits Of FEMS Industry Placement Grants (Community Corner)
13:30 - 14:00									
14:00 - 16:00	OT512 - Synthetic Microbiology (Hall 1)		OT513 - GV Offered Talks Session: Virology (Hall G2)		OT514 - DGHM Offered Talks Session: Diagnosis In Clinical Microbiology (Hall E)	OT515 - Microbiomes Offered Talks Session: Microbial Life Under Climate Change (Hall F)	SE5 - Highlights from the European Academy of Microbiology (EAM) (Hall Y1)		
16:30 - 18:00									Poster Networking (Foyers L2)
19:30 - Late									Congress Dinner Party (Grand Pave)
Thursday, 13 July									
09:00 - 09:45	Plenary Lecture: Paul Lehner (Hall 1)								
10:00 - 12:30	SY25 - microSfE Symposium: Emerging Role Of Chromatin Remodelling & Nuclear Targeting By Microorganisms (Hall 1)	SY26 - FEMS Microbiology Review Symposium: Microbiota Interactions Across Host Species (Hall G2)	SY27 - Pathogens & Disease: GPM Symposium: Bacterial Evasion Of Host Defense (Hall G2)	SY28 - FEMS Front Research Symposium: Hybrid Yeasts & Their Role In Pathogenesis & Biotechnology (Hall D)	SY29 - EAM Symposium: Microbial Responses To Environmental Threats (Hall E)	SY30 - FEMS Microbes Symposium: Fermentation Processes In Health & Disease (Hall F)	SY31 - DGHM-VAAM Symposium: Microbial Viruses: Current View On Life Styles & Infection Strategies (Hall Y1)	SY32 - GV-FEMS Symposium: Pandemic Preparedness & Lessons Learnt From The SARS-CoV-2 Pandemic (Hall Y2)	
12:30 - 13:00	Poster Awards & Closing Session (Hall 1)
